

It's utterly impossible to believe that I've been hanging around the Macatawa Bank pasture for almost a year and I don't even have a name. I need your help! Suggest a name for me because I'm tired of being called The Moolah Cow. Write your suggestion on the line below and bring it to your favorite branch in your pasture. Watch for my chosen name at moolah.com sometime in April. Now have some fun and color me in!

MY NAME SHOULD BE? _____
